

APRIL PART SPECIAL

 **FLEETRITE[®]**

DRUM, BRAKE, REAR, SIZE 16.5 X 7 IN.

\$259.99

Designed exclusively for International and IC Bus, Fleetrite[®] Brake Drums provides better structural integrity than traditional notch balancing, and can pass the most stringent braking performance requirements. Fully interchangeable with many competitive Original Equipment Manufacturer (OEM) and aftermarket drums, Fleetrite[®] drums are aftermarket quality approved, and can be used for tractor or trailer applications.
